SCHEDULE 170-18 – UNIVERSITY OF NEBRASKA BOARD OF REGENTS – SECURITY, POLICE AND PARKING RECORDS

General Guidance:

UNIVERSITY RECORD - The single authorized copy, regardless of physical form or characteristics, kept by the custodian charged with creating or maintaining the record copy.

RETENTION - Retention requirements are for all University records, regardless of the media on which they reside, unless otherwise noted.

PRESERVATION HOLD - No destruction of University records may take place while there is a Preservation Hold in effect.

E-MAIL AS A RECORD - E-mail is not a record series or item, but is a means of conveying information. E-mail retention is based upon the content and context of the e-mail message, not the fact that it is an e-mail message.

ANNOTATED OR ALTERED DUPLICATE COPIES - Any duplicate of a University record that has been annotated or altered is a distinct record and therefore subject to the requirements of University retention schedules.

PRESERVATION DUPLICATE - A preservation duplicate of the University record may be made and retained while its retention is considered essential to protect the rights and interests of persons or to establish or affirm the powers and duties of the University in the resumption of operations after a disaster.
